**Vision**  
Enthusiasm and Love of God and Neighbor to inspire and encourage interpersonal relationships in the St. Joseph Faith Community in order that an atmosphere of sharing our faith, time, talent, treasure and hospitality will expand the Kingdom of God.

## **Prayer**

God of all peoples, how blessed we are to gather in faith at Eucharist, for it is in Your Word and Sacrament that we discover that we are the Community called the Body of Christ.

Our St. Joseph Parish Vision is filled with enthusiasm for loving God and neighbor because Your Kingdom expands, Creator Father, in an atmosphere of interpersonal relationships.

May we the members of St. Joseph Parish continue to grow in faith during our Pastoral Planning Process, so that our Parish Vision will be fulfilled as we discover that as parish we are Community in Christ.  
Amen.

### Electronic Giving

St. Joseph Parish has an electronic option for making regular offerings. Contributions can now be debited automatically from your checking or savings account. Our new electronic giving program offers convenience for you and much-needed donation consistency for our congregation.

If you are currently giving on a weekly basis, you will no longer need to write out 52 checks a year. And, when travel, illness or other circumstances prevent you from attending services, this program will allow your weekly offerings to continue on an uninterrupted basis.

## LENT

Lent, the period of prayer and fasting in preparation for Easter is 40 days long, but there are 46 days between , the first day of Lent in the Roman Catholic liturgical calendar, and Easter. So how are the 40 days of Lent calculated?

### A Little History

The answer takes us back to the earliest days of the Church. Christ's original disciples, who were Jewish, grew up with the idea that the Sabbath—the Day of Worship and of rest—was Saturday, the seventh day of the week since the account of creation in Genesis says that God rested on the seventh day.

Christ rose from the dead, however, on Sunday, the first day of the week, and the early Christians, starting with the apostles (those original disciples), saw Christ's Resurrection as a new creation, and so they transferred the day of rest and worship from Saturday to Sunday.

### Sunday: The Celebration of the Resurrection

Since all Sundays—and not simply Easter Sunday—were days to celebrate Christ's Resurrection, Christians were forbidden to fast and do other forms of penance on those days. Therefore, when the Church expanded the period of fasting and prayer in preparation for Easter from a few days to 40 days (to mirror Christ's fasting in the desert, before He began His public ministry), Sundays could not be included in the count.

### 40 Days of Fasting

Thus, in order for Lent to include 40 days on which fasting could occur, it had to be expanded to six full weeks (with six days of fasting in each week) plus four extra days—Ash Wednesday and the Thursday, Friday, and Saturday that follow it.

Six times six is thirty-six, plus four equals forty. And that's how we arrive at the 40 days of Lent!

### Second Sunday of Lent

Who is this Jesus shining before us in dazzling white clothes? The gospel tells us this: law-giver Moses, prophet like Elijah, beloved Son like no other! He is the one who intercedes for us, who prays for us, who desires beyond hope for us an obediently devoted life now and a final heavenly life to come

- In listening to the Beloved Son, what do I need to hear?
- How will this hearing change or better my behaviors?
- How ill I walk before the Lord these Lenten days doing mercy work?

**TREASURES FROM OUR TRADITION**

The second Sunday of Lent every year recalls the Transfiguration of the Lord. Since the fourth century, Mount Tabor has been the focus of devotion to this event. As mountains go, it is not particularly lofty, rising about fifteen hundred feet, within view of the Sea of Galilee and very close to Nazareth. Scripture doesn't identify the mountain, but in the year 348 Saint Cyril of Jerusalem said he preferred Mount Tabor to Mount Hermon as the site of the Transfiguration, and his opinion won. It has long been a strategic military site, and ancient fortresses are visible on the heights. Over the centuries, churches and fortified monasteries rose on the mountaintop, only to be destroyed by various invaders. Six hundred years ago, local Christians started to decorate the ruins with flags and banners on the Feast of the Transfiguration. In 1631, the Sultan granted permission to the Franciscans to live on Mount Tabor, and they have been there ever since, discovering the ruins of an old Crusader church and constructing the present church on the site in 1924.

The top of the mountain is divided into Greek Orthodox and Latin (that's us) zones. At one time, tourists arrived on the summit by bus, but this is no longer permitted. Some ride bicycles up a challenging and winding path, while others take the four thousand three hundred steps constructed for Christian pilgrims in the fourth century. It's hard to imagine the fishermen following Jesus up this craggy mountain without complaint. Visitors will sympathize with Peter's plan to construct booths and stay put with Jesus, Moses, and Elijah for a while, enjoying the view, and planning the trip back down.
