**GATHERING IN FAITH,
DISCOVERING COMMUNITY**

Vision

Enthusiasm and Love of God and Neighbor to inspire and encourage interpersonal relationships in the St. Joseph Faith Community in order that an atmosphere of sharing our faith, time, talent, treasure and hospitality will expand the Kingdom of God.

Prayer

God of all peoples, how blessed we are to gather in faith at Eucharist, for it is in Your Word and Sacrament that we discover that we are the Community called the Body of Christ.

Our St. Joseph Parish Vision is filled with enthusiasm for loving God and neighbor because Your Kingdom expands, Creator Father, in an atmosphere of interpersonal relationships.

May we the members of St. Joseph Parish continue to grow in faith during our Pastoral Planning Process, so that our Parish Vision will be fulfilled as we discover that as parish we are Community in Christ.
Amen.

**TREASURES FROM
OUR TRADITION**

Once the way was cleared for additional Eucharistic Prayers, those who were appointed to compose them had to look deep within the tradition for sources. One of the prescriptions for new prayers was that they be "unencumbered by useless repetition." From the start, therefore, the writers knew that the old Roman Canon, which had the priest bowing and crossing himself many times in a long, complex prayer, was not a model of simplicity.

Aside from the prayers treasured by Eastern Christians, there is an obvious model from ancient Rome. For about a hundred years now, the historical text "Apostolic Tradition" has shed some light for us on the shadowy shape of worship in the early church. In it, its author, Hippolytus, took care to record the actual texts of worship used at the time. He himself has a shadow side, since he was so ardently conservative in his tastes that he broke ties with the Bishop of Rome and became first in the line of history's anti-popes. At the eleventh hour, however, he reconciled with his enemies and actually died a martyr. In fact, he was shipped off to the Sardinian mines as a slave with the true pope as his companion in chains. Because his tussle with the pope was over theological innovations and not liturgical texts, we are sure that his account of the style of Eucharistic Prayer in the third century is accurate. It forms the core of today's Eucharistic Prayer II.
