**GATHERING IN FAITH,  
DISCOVERING COMMUNITY**

## Vision

Enthusiasm and Love of God and Neighbor to inspire and encourage interpersonal relationships in the St. Joseph Faith Community in order that an atmosphere of sharing our faith, time, talent, treasure and hospitality will expand the Kingdom of God.

## Prayer

God of all peoples, how blessed we are to gather in faith at Eucharist, for it is in Your Word and Sacrament that we discover that we are the Community called the Body of Christ.

Our St. Joseph Parish Vision is filled with enthusiasm for loving God and neighbor because Your Kingdom expands, Creator Father, in an atmosphere of interpersonal relationships.

May we the members of St. Joseph Parish continue to grow in faith during our Pastoral Planning Process, so that our Parish Vision will be fulfilled as we discover that as parish we are Community in Christ.

Amen.

**Sunday Readings Reflections of 4/10/2016**

**Reading 1 Acts 5:27-32, 40b-41**

If our readings each had titles, this one could be called "Brave Heroes Spread Good News." Although Peter and some of the other apostles had been imprisoned and beaten, they continued to preach in Jesus' name. They also dared to accuse the religious authorities of putting Jesus to death. Despite the danger to themselves, the apostles spoke out with great courage. "We must obey God rather than men," they proclaimed. Now that they were filled with the Holy Spirit, facing danger for Jesus' sake actually made them joyful!

**Reading 2 Revelations 5:11-14**

The title of the second reading might be "All Creation Praises the Lamb." It describes a vision of the heavenly court in which a huge crowd of angels and all living beings are gathered. They are all singing the praises of the Lamb of God, Jesus the Lord. By his death and resurrection, Jesus has reconciled us with God and given us cause for great joy.

**Gospel John 21:1-19 or 21:1-14**

The title of this wonderful story from John's Gospel might be "Surprise Picnic at the Beach." In a very human way, it shows the great love Jesus and his friends had for one another. While the disciples are out fishing, the risen Christ appears on the shore at Lake Tiberias. They are anchored at a distance and do not recognize him. But when they follow his advice and wind up with a sagging net full of fish, John figures out that the stranger is Jesus. Coming ashore, they enjoy the picnic breakfast Jesus has prepared for them.

Although our reading stops after the meal itself, we know from the rest of the Gospel that Jesus called Peter aside after they ate. He asked Peter to "feed my lambs. Tend my sheep."

**Pastor's Column**

Dear Parishioners:

We can be stubborn in our prayer because we can become stagnant in how we relate with God. We say the same morning and night prayers and get into a frenzy if we forget to say them or don't say them the "correct" way. Getting stuck in our prayer approach is unnecessary because God's Spirit of Love always provides for us including every heart-beat and every breath.

Pushy-prayer gives the impression that we have to force God to do our Will. This does not work because God's Love is freely given to us all the time. Holy Communion with Jesus reminds us of how oneness with God in Christ is prayer. It goes beyond word or action and leaves us silently dependent on God's Will in our every moment. In Silence we pray most simply and effectively to our Lover God. All force is surrendered and peaceable openness taking its place. No longer is prayer an ordeal—it simply is in the Silence. Stubbornness disappears and humility is the resulting prayer approach for we manifest trust in God's ever-faithful Love. Talk about the freedom of the children of God! Prayer becomes Risen Joy for us because we are relating with God on God's terms which liberates us from repetitious prayer approaches and enlivens us with mysterious prayer in God's Loving Will.

In God's Prayer Approach,

Fr. Terry

**Religious Education  
First Eucharist**

This week the young people of the parish who are preparing for First Eucharist reflected on their Baptism. Through Baptism we are initiated into the life of Christ and His Body the Church. The church belongs to the Lord Jesus, whom God has called together. As they continue on their spiritual journey, please keep them, their parents, and family members in your prayers.

**TREASURES FROM OUR TRADITION**

We return to our reflections on the rites of marriage with a brief consideration of reforms from the Council of Trent. When the Protestant Reformation took hold, the fairly recent achievements of the Church in regard to the sacrament of marriage were reviewed with a critical, reforming eye. In general, Protestants returned to an earlier view that marriage was a civil matter, although some said that the civil society had to be in harmony with Christian teaching. In the Catholic Church, the Council of Trent took the question up in 1563, and decided to shore up its teaching on the sacramentality of marriage. They identified many threats to this, including secret marriages and easy divorce. So they enacted laws that still govern our practice today: to be valid, marriage consent must be exchanged in the presence of a priest and two witnesses. Ever since Trent, marriages must also be announced three weeks in advance to the community, and recorded in a register. In some places in the world, the "banns" are still posted in the public square. In the United States, parishes sometimes publish the "banns" in the bulletin.

Anyone who has ever watched a soap opera has seen the standard scene of a minister announcing gravely, "If there is anyone here present who sees any reason why these two should not be married . . ." This bit of drama has no place in the Catholic liturgy, but survives among Protestants who broke with us before Trent edited this cliff-hanger out of our public prayer.
