**GATHERING IN FAITH,  
DISCOVERING COMMUNITY**

## Vision

Enthusiasm and Love of God and Neighbor to inspire and encourage interpersonal relationships in the St. Joseph Faith Community in order that an atmosphere of sharing our faith, time, talent, treasure and hospitality will expand the Kingdom of God.

## Prayer

God of all peoples, how blessed we are to gather in faith at Eucharist, for it is in Your Word and Sacrament that we discover that we are the Community called the Body of Christ.

Our St. Joseph Parish Vision is filled with enthusiasm for loving God and neighbor because Your Kingdom expands, Creator Father, in an atmosphere of interpersonal relationships.

May we the members of St. Joseph Parish continue to grow in faith during our Pastoral Planning Process, so that our Parish Vision will be fulfilled as we discover that as parish we are Community in Christ.

Amen.

### Pastor's Column

Dear Parishioners:

Perhaps you have a Living Will where you specify which medical treatments you are willing to undergo if you become incapacitated. It does take the pressure off family members when faced with your severe illness.

Medicine is one aspect of human living but Jesus comes into our human stories to reveal God Our Father's "Living Will" for us. It is the "Living Will" of God that we live with abundant life in Christ on earth and that we live forever in Christ in heaven. Jesus the Christ is the bridge between heaven and earth.

The contents of our Living Will ought to be influenced by the "Living Will" of God in Christ Jesus. Sure, human life is precious to medically uphold but to keep an eternal life perspective in the Savior Christ Jesus is a wholistic health way to live now and forever.

Loving you in Christ,

Fr. Terry

### DECISIONS

There is an axiom that states, "Not to decide is to decide." This saying was popular in the turbulent times of the Vietnam War. It urged us not to allow others to answer the moral questions raised by our nation's involvement in that terrible conflict, but to decide for ourselves. Making such choices is never easy. Avoiding them is common. Jesus, for his part, was not only a gallant risk-taker, but a clear decision-maker. As he pursued the mission to which the Father called him, he continually decided for us and for the Father. He worked hard to lay out a scenario that would enable others to make similar choices. Never did he make decisions for others or force others into decisions, even decisions that had eternal ramifications. Jesus is inviting us to make such decisions today. We won't be absolutely sure. What is sure, however, is the command that issues from God's word: Take the risk. Decide!

**Diocesan Year of Faith Conference**

*The ‘door of faith’ is always open for us... ”* ushering us into the life of communion with God, and offering entry into his Church. It is possible to cross that threshold when the word of God is proclaimed and the heart allows itself to be shaped by transforming grace. To enter through that door is to set out on a journey that lasts a lifetime. In order to celebrate this Year in a worthy and fruitful manner, Bishop Melczek, and member of his Priest Council, have planned a special Conference on two different weekends in September at two different locations:

**September 21 & 22 at St. Thomas More Parish**

**September 28 & 29 at St. Paul Parish**

**All parishioners** are invited to attend **one of these two weekends**. The Conference will provide tools for us to better understand and live our faith with renewed conviction. Keynote speakers will share their insights on the Second Vatican Council, and the breakout sessions will focus on the Catholic Catechism and the Creed—all are tools to help us live our faith.

For additional information, go to [www.dcgary.org](http://www.dcgary.org) for full information and registration. Please note there is no fee for the Conference, only a \$10.00 fee for lunch.

Nature is too thin a screen; the glory of the omnipresent God bursts through everywhere.

**TREASURES FROM  
OUR TRADITION**

The Eucharist was never meant to be only “comfort food,” something that makes us feel warm and satisfied. It is to be bread for the journey, nourishment for the task that God has set for our community and for each one of us. Thus it is not surprising to see some walk away in today’s Gospel, for they understood that recognizing Jesus as the bread of life is a commitment to changing one’s life.

St. Augustine, whose feast we celebrate this week, once observed that in celebrating the Eucharist we become what we receive, the Body of Christ. As we conclude the series of reflections in John’s Gospel on Jesus as the bread of life, it is appropriate to think about the role that the Eucharist plays in our lives and in our parish. It is in the Eucharist that we are nourished and renew our commitment in faith to serve the Lord. How does the parish social ministry carry out that mandate? How do you carry it out in your own life? Is it related in any way to the celebration of the Eucharist? How does celebrating Mass Sunday after Sunday make a difference in your life and in the world?
