**GATHERING IN FAITH,
DISCOVERING COMMUNITY**

Vision

Enthusiasm and Love of God and Neighbor to inspire and encourage interpersonal relationships in the St. Joseph Faith Community in order that an atmosphere of sharing our faith, time, talent, treasure and hospitality will expand the Kingdom of God.

Prayer

God of all peoples, how blessed we are to gather in faith at Eucharist, for it is in Your Word and Sacrament that we discover that we are the Community called the Body of Christ.

Our St. Joseph Parish Vision is filled with enthusiasm for loving God and neighbor because Your Kingdom expands, Creator Father, in an atmosphere of interpersonal relationships.

May we the members of St. Joseph Parish continue to grow in faith during our Pastoral Planning Process, so that our Parish Vision will be fulfilled as we discover that as parish we are Community in Christ.

Amen.

TREASURES FROM OUR TRADITION

The recent "October count" tracking the statistics of participation at Sunday Mass calls to mind the situations of churches where it is difficult or impossible for Catholics to worship freely. This is especially striking in English Catholic history, as freedom of worship was systematically dismantled at the time of the Reformation. It seems that most English people retained deeply Catholic sympathies throughout the period of religious upheaval. Catholics who refused to participate in the public worship of the Church of England were called "recusants," and beginning with the reign of Elizabeth I, they were subject to strict penalties. Recusant literally means "a person refusing to obey a command." Most of those laws were in force until the early 1800s, and Catholics were not entirely emancipated from the duty of Anglican worship until 1829. Recusants paid heavy fines for not attending the state church. Holding on to Catholic faith was therefore a luxury of the very rich, who maintained private chapels, and sent their daughters and sons to English convents and monastery schools on the continent. Remarkably, the first among all British peers, the Dukes of Norfolk, the hereditary Earls Marshal of England, have never given up their Catholic faith. Many of these wealthy recusant families founded the colony of Maryland, and later many members of the old Catholic families continued on to the Kentucky frontier in search of greater religious freedom.
