

PASTOR'S COLUMN—FEBRUARY 18, 2013

Dear Parishioners:

One of the treasured sacraments in our Catholic tradition is the Sacrament of Reconciliation. It is a treasure because it presents us with opportunities to be strengthened in goodness as we confess our sins. The grace of the Sacrament of Reconciliation is that the more we use it, the more goodness results in us.

Confessing our sins is the humble “avenue” to the growth of God’s Kingdom which is the “main street” of more consistent goodness. Our faith journey in Christ is about growing in the ways of goodness throughout our lives. Going to Confession is not difficult but it is humbling.

Let’s make a commitment to participate in the Sacrament of Reconciliation sometime during this current season of Lent. If it has been a while since your last confession it’s ok. Come back to this Sacrament treasure and get ready for increased goodness in your life.

Loving you in Christ,

Fr. Terry
