

PASTOR'S COLUMN—MARCH 18, 2013

Dear Parishioners:

Welcome Pope Francis II! Thank you for being open to the call of the Holy Spirit as revealed in the Conclave process. Now a new chapter in the Pope's pilgrimage of faith and the world-wide Church's pilgrimage of faith begins.

Pope Francis I is an example of simplicity of life and utmost care for the poor. These are Gospel Values that I pray Pope Francis I inspires the world to more consciously embrace.

Let us pray for Pope Francis I that he consistently radiates the light of Christ to the world. We ask God to give our new Pope enduring health and the courage to address the challenges in the Church this year of 2013. And may our parish be inspired to grow in simplicity of life and continued outreach to the poor.

Loving you in Christ,

Fr. Terry
