

PASTOR'S COLUMN—JUNE 3, 2013

Dear Parishioners:

I thank you for continuing to join me in our Parish Prayer at each of our weekend Masses. We continue to say this prayer together because our Parish Pastoral Plan is still evolving. At this point, our Parish Pastoral Plan is focusing on Stewardship development at our parish. In particular, we have several new members serving on the St. Joseph Stewardship Committee. Their faith formation in the ways of generously sharing their prayer, time/talent, and treasure, is prefaced by their reading/studying the Bishop's Document on Stewardship: A Disciple's Response. This is a slow process but it is a patient process encouraging heart-felt conversion in the ways of Stewardship for the Committee members.

Please keep our parish Stewardship committee in your prayers that God's Will be done as our parish becomes more stewardship aware.

Loving you in Christ,

Fr. Terry
