

PASTOR'S COLUMN—JUNE 28, 2012

Dear Parishioners:

At our most recent Stewardship Committee Meeting, several more letters were shared on the topic of being stewards at St. Joseph's. The Committee is truly an inspiration to listen to because of their heart-felt faith in God's generosity. Our next meeting will dwell on scheduling dates to share with you these Stewardship Letters at the weekend Masses.

One Letter will be read at each Mass followed by a specific invitation to some of you to embrace a new ministry at St. Joseph's. I pray that you are open to listening to your fellow parishioners share their Stewardship Letters. I trust that you will be inspired by these letters to be open to new ministry possibilities. I am spiritually excited for our parish because the Holy Spirit of God's Love is ever faithful.

Loving you in Christ,

Fr. Terry
