

PASTOR'S COLUMN—JULY 16, 2012

Dear Parishioners:

We have begun the Stewardship Letter sharing process at each weekend Mass. Hopefully, you are moved by these letters and inspired to become more active stewards (servants of the Lord) at St. Joseph's. A general sign-up sheet for stewardship involvement in our parish will continue to be on a table at all 3 entrances of our church.

You will hear a different stewardship letter presented at each Mass over the next several weeks to give you a variety of stewardship perspectives. I will personally invite some of you with a copy of the letter read at a particular Mass and my own invitation to some of you to consider a new ministry. I pray for your openness to new possibilities of being a servant of the Lord at St. Joseph's.

In Christ's Love,

Fr. Terry
