

PASTOR'S COLUMN—NOVEMBER 15, 2012

Dear Parishioners:

The word “discipleship” is derived from the word “discipline” which implies a willingness to learn. As Jesus’ disciples we are called through baptism to be open to learning the way of Jesus—the Gospel. Hopefully, we are taking time to read a passage from the four Gospels every day. By doing so we are increasing the probability of remembering Jesus’ call to learn God’s Way of Love rooted in service.

Inevitably, reflecting on Jesus’ Gospel message will lead us to serve and not be served. Discipleship in Christ necessarily points us to stewardship of God’s abundant gifts. We are obliged to be stewards of the Lord; it is not an option if we say we are followers of Jesus. Stewardship in Christ is the most important learning we will experience that will last a life-time.

Loving you in Christ,

Fr. Terry
