Prayer

God of all peoples, how blessed we are to gather in faith at Eucharist, for it is in Your Word and Sacrament that we discover that we are the Community called the Body of Christ.

Our St. Joseph Parish Vision is filled with enthusiasm for loving God and neighbor because Your Kingdom expands, Creator Father, in an atmosphere of interpersonal relationships.

May we the members of St. Joseph Parish continue to grow in faith during our Pastoral Planning Process, so that our Parish Vision will be fulfilled as we discover that as parish we are Community in Christ.
Amen.

Fifteenth Sunday in Ordinary Time

Loving means acting. In the First Reading, Moses pleads for us to heed the voice of God—it is not that hard. In the Gospel, a scholar poses two worthy questions to Jesus. How do I get to heaven? What do I do and with whom do I do it to get there? Jesus tells a story to provoke suitable answers. The good Samaritan, this good foreigner, puts the natives to shame. He has the right motive—compassion. It causes him to act with mercy.

- When will I set aside time each day to heed God's voice?
- What will I do and not do to keep my sights on heaven?
- Since to love is to act, whom will I treat with mercy today?

TREASURES FROM OUR TRADITION

On a summer day, with the windows open, we may hear the sound of church bells. Bells seem to have come into church life in Irish monasteries around the seventh century, and spread around the Christian world by Irish monks on missionary journeys. By the eighth century, bells were standard equipment in even small parish churches. An ancient ceremony, once called the “baptism of the bells,” recognizes that the church bell has a voice to call people to awareness and summon them to worship, and even bestows a name on the bell.

In a world without clocks or watches, the bell had an indispensable role. For calling monks in from the fields for prayer, or alerting far-flung visitors, the bell’s voice was enhanced by hoisting it high into a tower. Soon it was learned that the sound of several bells clanging together in harmony imparted a sense of joy to great celebrations, and bell towers prospered, some chock full of bells. Different combinations of rings could indicate a death, a Mass, a wedding, a fast day, the curfew at the end of day, and the Angelus. Before electricity, bell-ringing was hard work indeed: the biggest bell in the Catholic world, in Cologne, Germany, weighs twenty-seven tons! There’s no substitute for the resonant roar of a mighty bell; electric chimes are not eligible for blessing!
